

Form for New Subscription to All Saints' Magazine

The All Saints' magazine contains articles, notices about church activities and other information, which may be too long to fit into the pew sheets or weekly announcements. A team of people distributes copies to subscribers living in Cottenham, and copies are also available in church. The cover price is 70p per copy, with a discount for subscribers to £6.50 per annum for 10 magazines: this charge is simply to cover the cost of printing and enables us to break even.

If you are not already a subscriber but live in Cottenham and would like to have the magazine delivered to your home, please complete the details below.
